

YOUTH FOCUS INC.

CALIFORNIA STATE YOUTH ACCOLADES

Dear CSYA Junior and Teen Division Participants,

Youth Focus Inc. is pleased to award you a performing arts talent scholarship as a result of your participation in the California State Youth Accolades Scholarship Competition. The performing arts talent scholarship is to be used and distributed in accordance with the terms and conditions as set forth in the Official Rules and Regulations of said awards program.

The philosophy of the program is to motivate performing arts achievement on a continuous basis. Awards may be applied for immediately as long as your study is continuous and consistent.

In keeping with the rules and regulations of the Scholarship Awards Program some awards were initially to be distributed as U.S. Savings Bonds, however, the value and parameters of issuing savings bonds have changed dramatically. The Board of Youth Focus, Inc. has elected to issue performing arts talent scholarships in lieu of savings bonds in order to encourage your personal pursuit of excellence.

Performing arts talent scholarships are not disbursed in cash but are sent directly to the performing arts instructor, school or institute in which you are enrolled, upon receipt of your application and certification form. For your convenience, the application form to activate your scholarship is enclosed.

The Board of Directors of Youth Focus, Inc. salutes you for your achievements and extends its best wishes in your performing arts pursuits.
